## 公司介绍 Company Profile

Cixi Zhuoli Metal Products Co., Ltd. is a factory that provides one-stop services such as die-casting, precision machining, surface treatment, assembly, and packaging. It currently has several related equipment such as die-casting machines, die-casting machines, CNC machining centers, CNC drilling and tapping centers, CNC lathes, and punching and tapping machines. We can undertake external die-casting orders and customize processing according to drawings and samples.

Zhuoli Metal has adapted to the development of the global die-casting industry and provided high-quality and affordable die-casting products for new and old customers. Zhuoli Metal has a high-quality work team that can provide customers with comprehensive pre-sales and after-sales services in a timely manner.

Since its establishment, our company has always been committed to exploring the market with quality and winning customers with integrity. Starting from a single die-casting process, to the current one-stop production, we have a certain competitive strength in the market.

Our company strives for survival through quality, development through service, and always adheres to the principle of valuing contracts and keeping promises. Our products are of excellent quality and affordable prices. We welcome new and old customers to visit our factory for inspection and guidance!

Zhuoli Metal, with its classic casting quality, leads the die-casting industry.
